MEDIA MINISTRY PROPOSAL

You who bring good news to Zion, go up on a high mountain. You who bring good news to Jerusalem, lift up your voice with a shout, lift it up, do not be afraid; say to the towns of Judah, Here is your God!" Isaiah 40:9

RE: **Free Computer Class for Senior Citizens held**

Dear TABCOM,

With your help, we held our Senior Citizens class on January 14, 2023. Praise the Lord, there were 40 people in attendance.

Our curriculum consisted of:

- Basic Computer knowledge
- Microsoft Word
- Zoom
- Internet Security

Each student took home a refurbished laptop with the following software installed:

- Windows 10
- Microsoft Office - full
- Zoom
- Adobe

We have also offered monthly drop-in sessions, for the next 3 months for those students who need more assistance and/or have follow-up questions.

In addition, we have also delivered computers to the following entities:

- TABCOM Senior Citizen Program
- Senior Citizens Center of Saugus
- Ruth's Way for Women, a non-profit organization for women (<https://ruthswayforwomen.org>)

Each student was made aware that all of these blessings were made possible by God and the help of TABCOM's Elder Ministry, Vertex Pharmaceuticals and Community Tech Care Corporation.

Our future endeavors are to offer similar, more advanced programs, to the community-at-large in order to further educate and equip our community.

We were greatly blessed by your donation and we thank you for your sponsorship. We pray for similar partnerships in the future.

Respectfully submitted,
Rev. Leroy Mahoney, Pastor
